23rd Sunday Year A

Psalter Week 3

If he listens to you, you have won back your brother

No man is an island... How true this is for those who follow Christ: each of us has responsibilities towards each other, based on our debt of mutual love. When we see wickedness and wrongdoing, then because of our privileged position of following the Lord Jesus, we have a duty to speak out. This will not always be easy - remember the prophet Jeremiah last week - but this was the mission of the Lord Jesus himself, and as his followers, it is our mission too. As with everything, love is the answer to every one of the commandments.

CAFOD - It's time to #CancelTheDebt

Coronavirus is causing devastation right across the world.

Many of the world's poorest nations are not only dealing with this health emergency but are also facing unimaginable financial hardship as a result of the global economic slowdown.

We know that the quickest way to deal with this worrying financial outlook is to keep money in developing countries by cancelling debt payments now.

Add your voice

Between now and October, we want you to send us a photo of you creatively displaying the words **Cancel The Debt**. We're collecting photos of supporters from across England and Wales, and we will put your photos together in October to send a message to world leaders that it's time to #CancelTheDebt.

How to get involved

- Take a selfie, or ask a friend to take a photo of you creatively displaying the words "Cancel The Debt".
- If possible, show where you are based e.g. by a town or street sign, or notable feature.
- Share your image on Twitter and use the hashtag #CancelTheDebt. Be sure to tag @cafod so we can find your photos!
- If you have some extra time, also consider sharing your image on Facebook and Instagram using the #CancelTheDebt hashtag.
- If you don't have a social media account, email your photo to us at campaign.writer@cafod.org.uk.
- Inspire others by sharing your photo with friends and family.
- By adding your face and voice, you can show that debt isn't something the international community will stand for.
